### Notes & Examples:

#### Plan 1

The Cost for Plan 1 is shown on the above table. The value you declare on your shipment must be at least equal to the weight of your shipment multiplied by \$5.00 per pound, subject to a minimum declaration of \$5,000. For example, if your shipment weighs 5000 pounds, the minimum value that you must declare is \$25,000 (5000 pounds multiplied by \$5.00 per pound). Constructive weight will be based on 7# per cubic foot of truck space used. You can also choose a higher lump sum amount based on your estimate of what it would cost to replace all of your goods. You may select an OPTIONAL deductible to lower your cost and still be provided significant protection.

#### OPTION 2

Option 2 is provided at no additional charge; however, the protection is considerably less than the average value of typical household goods, and you should understand that any recovery from aLocalVan Moving & Storage, Ltd. Co. for loss or damage will be nominal. If an item were damaged to the degree that is no longer functional, it would be covered at 60 cents per pound. This plan does not cover dents, scratches, dings, or any cosmetic damage. This plan does not allow for repair or touch up work. For example, if the finish/surface on a triple dresser were scratched, it would not be covered or repaired. However, if the dresser were crushed to the point of being no longer functional, it would be covered at 60 cents per pound. All broken glass under this option is covered at 60 cents per pound.

When you select Option 2, you may wish to obtain separate liability insurance from a third party insurance company. This is **not** valuation coverage. If you elect to purchase this separate coverage, in the event of loss or damage, the mover is liable only for an amount not exceeding 60 cents per pound per article, and balance of the loss is recoverable from the insurance company up to the amount of insurance purchased. aLocalVan Moving & Storage Ltd. Co. does **not** offer insurance coverage. If you are interested in obtaining third-party insurance coverage, please consult with your insurance representative.
